范文:

Dear Bob,

I'm writing to ask if you are interested in an exhibition of paper cutting to be held by the culture club I have joined. It will take place this Sunday at our school, and some paper cutting artists will attend it, teaching people how to make different kinds of Chinese paper cuttings.

Chinese paper cutting is one of the most popular traditional folk arts, with a history of more than 1,500 years. People often decorate doors, windows and rooms with paper cuttings in order to have good luck, especially in the Spring Festival and at weddings. There are different styles of paper cutting in different parts of China.

I'm looking forward to your coming.

Yours, Li Hua
